Housing Choice Voucher Program Housing Stock List

Important Notice

What is the housing stock list?

The housing stock list consists of landlords who have rental properties with us and in the private sector.

Our agency is not limiting your search to this list of property owners nor are we representing or condoning any of them.

This list was created to assist you in finding safe, decent and sanitary housing.

These individuals listed are not obligated to rent to you. They have the option to select whom they wish to reside in their units. It is not the obligation of the housing agency to screen you for suitability; it is the responsibility of the prospective landlord.

If you are not on the Housing Choice Voucher Program or receiving any other type of rental subsidy and you take it upon yourself to move into a dwelling listed with our agency you will be solely responsible for your full rental payments.
